

# WMC Training News Bulletin

16/01/2012

WMC Training are excited and pleased to announce our annual charity challenge for 2012. We need your support to raise funds for this worthy cause. Find out more on our Facebook page and follow our progress on Twitter @WMCTraining.

Ty Hafan children's Hospice has a clear goal - to offer palliative care and support to life limited children and their families. WMC Training aim to support them to continue to do so in 2012 with your help, involvement and participation.

We are not just asking for donations - We want your ideas, support and participation. We are currently asking for suggestions of events we can undertake to raise awareness and lots of money - Last time it was sky diving, this time... It's all up to you. We aim to raise as much money as possible for this cause and to bring fun and enjoyment to those helping us to do so.

This worthy cause deserves everybody's help and WMC Training are committed in 2012. We aim to complete a challenge in September so plenty of time to raise money and get in shape for whatever challenge you want. Sporting or silly, endurance or thrill seeking - you decide.

The best suggestion - by which we mean the one we undertake - will win a special mystery prize! So keep the ideas coming for your chance to win.

To follow our progress please see our facebook page or follow us on Twitter, and to get involved please contact us via our contact us page on our website
